

# GREAT PROTECTION FOR MOBILE DEVICES

Lensun CustomizPro+ is our second generation cut-on-demand cutting machine, which can customize premium screen protectors, back protector and fashion skins to protect different types of digital devices for upto **25000+** models.

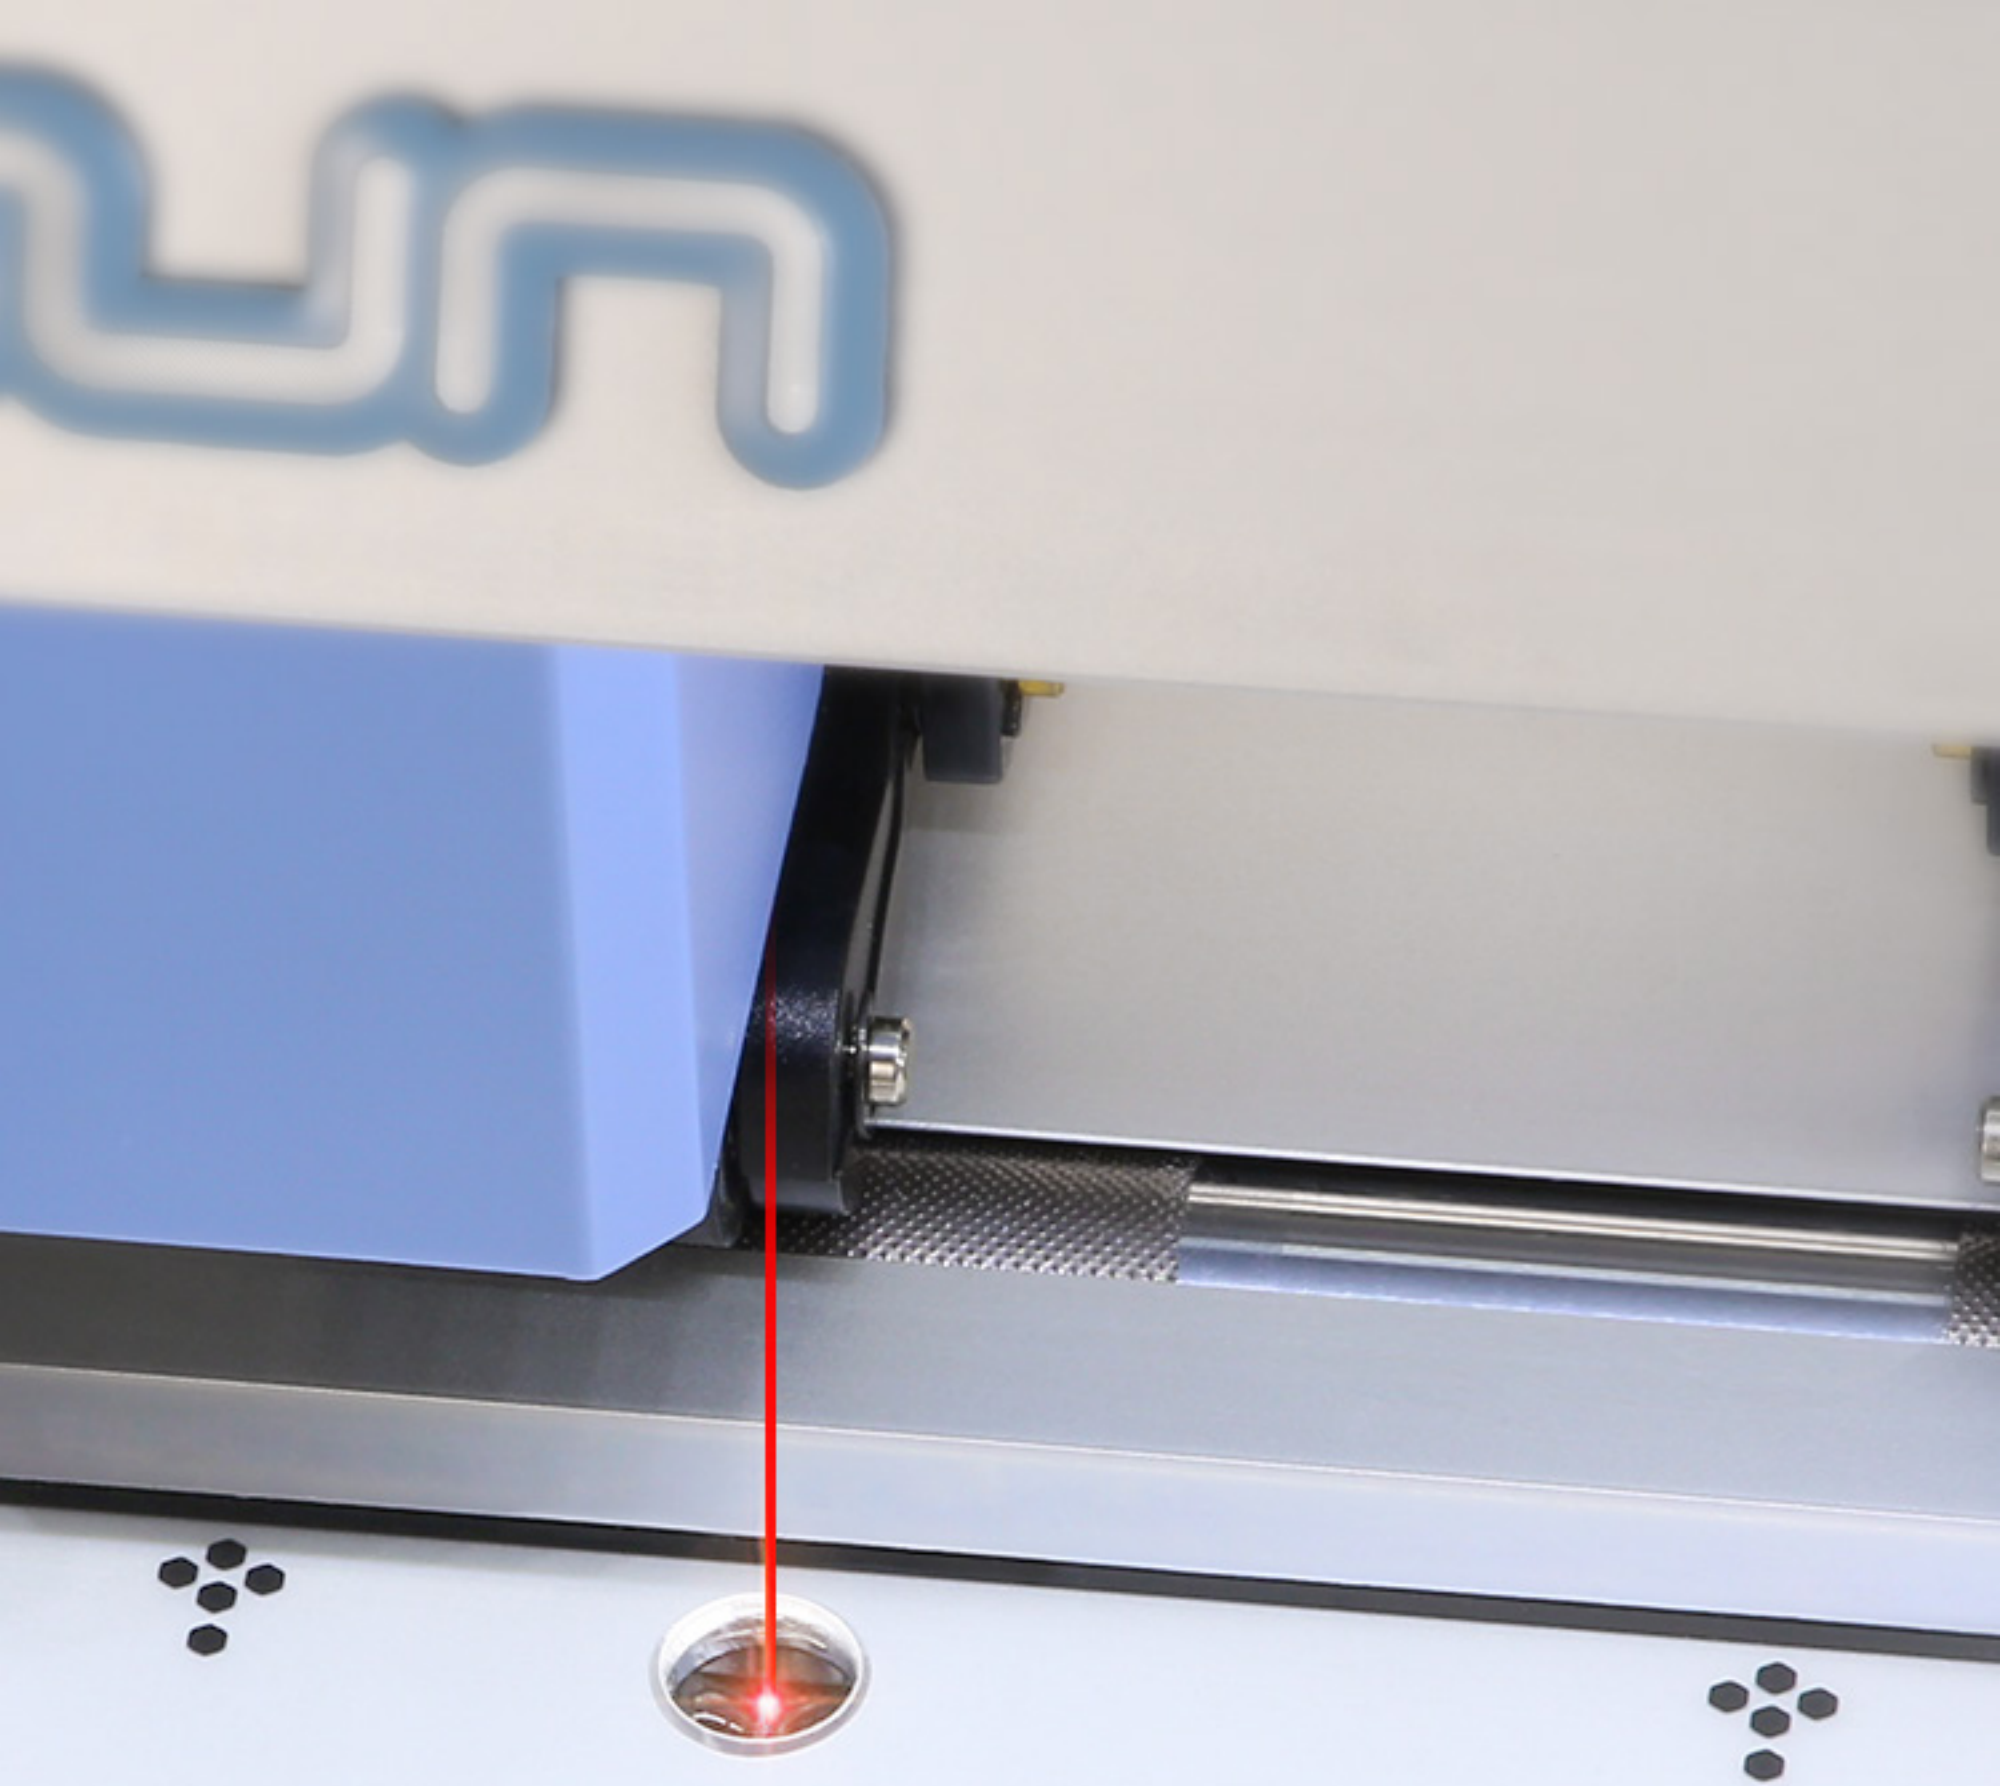

# LENSUN CUSTOMIZPRO+

# Is the Most Advanced Screen Protector Smart Cutting Machine

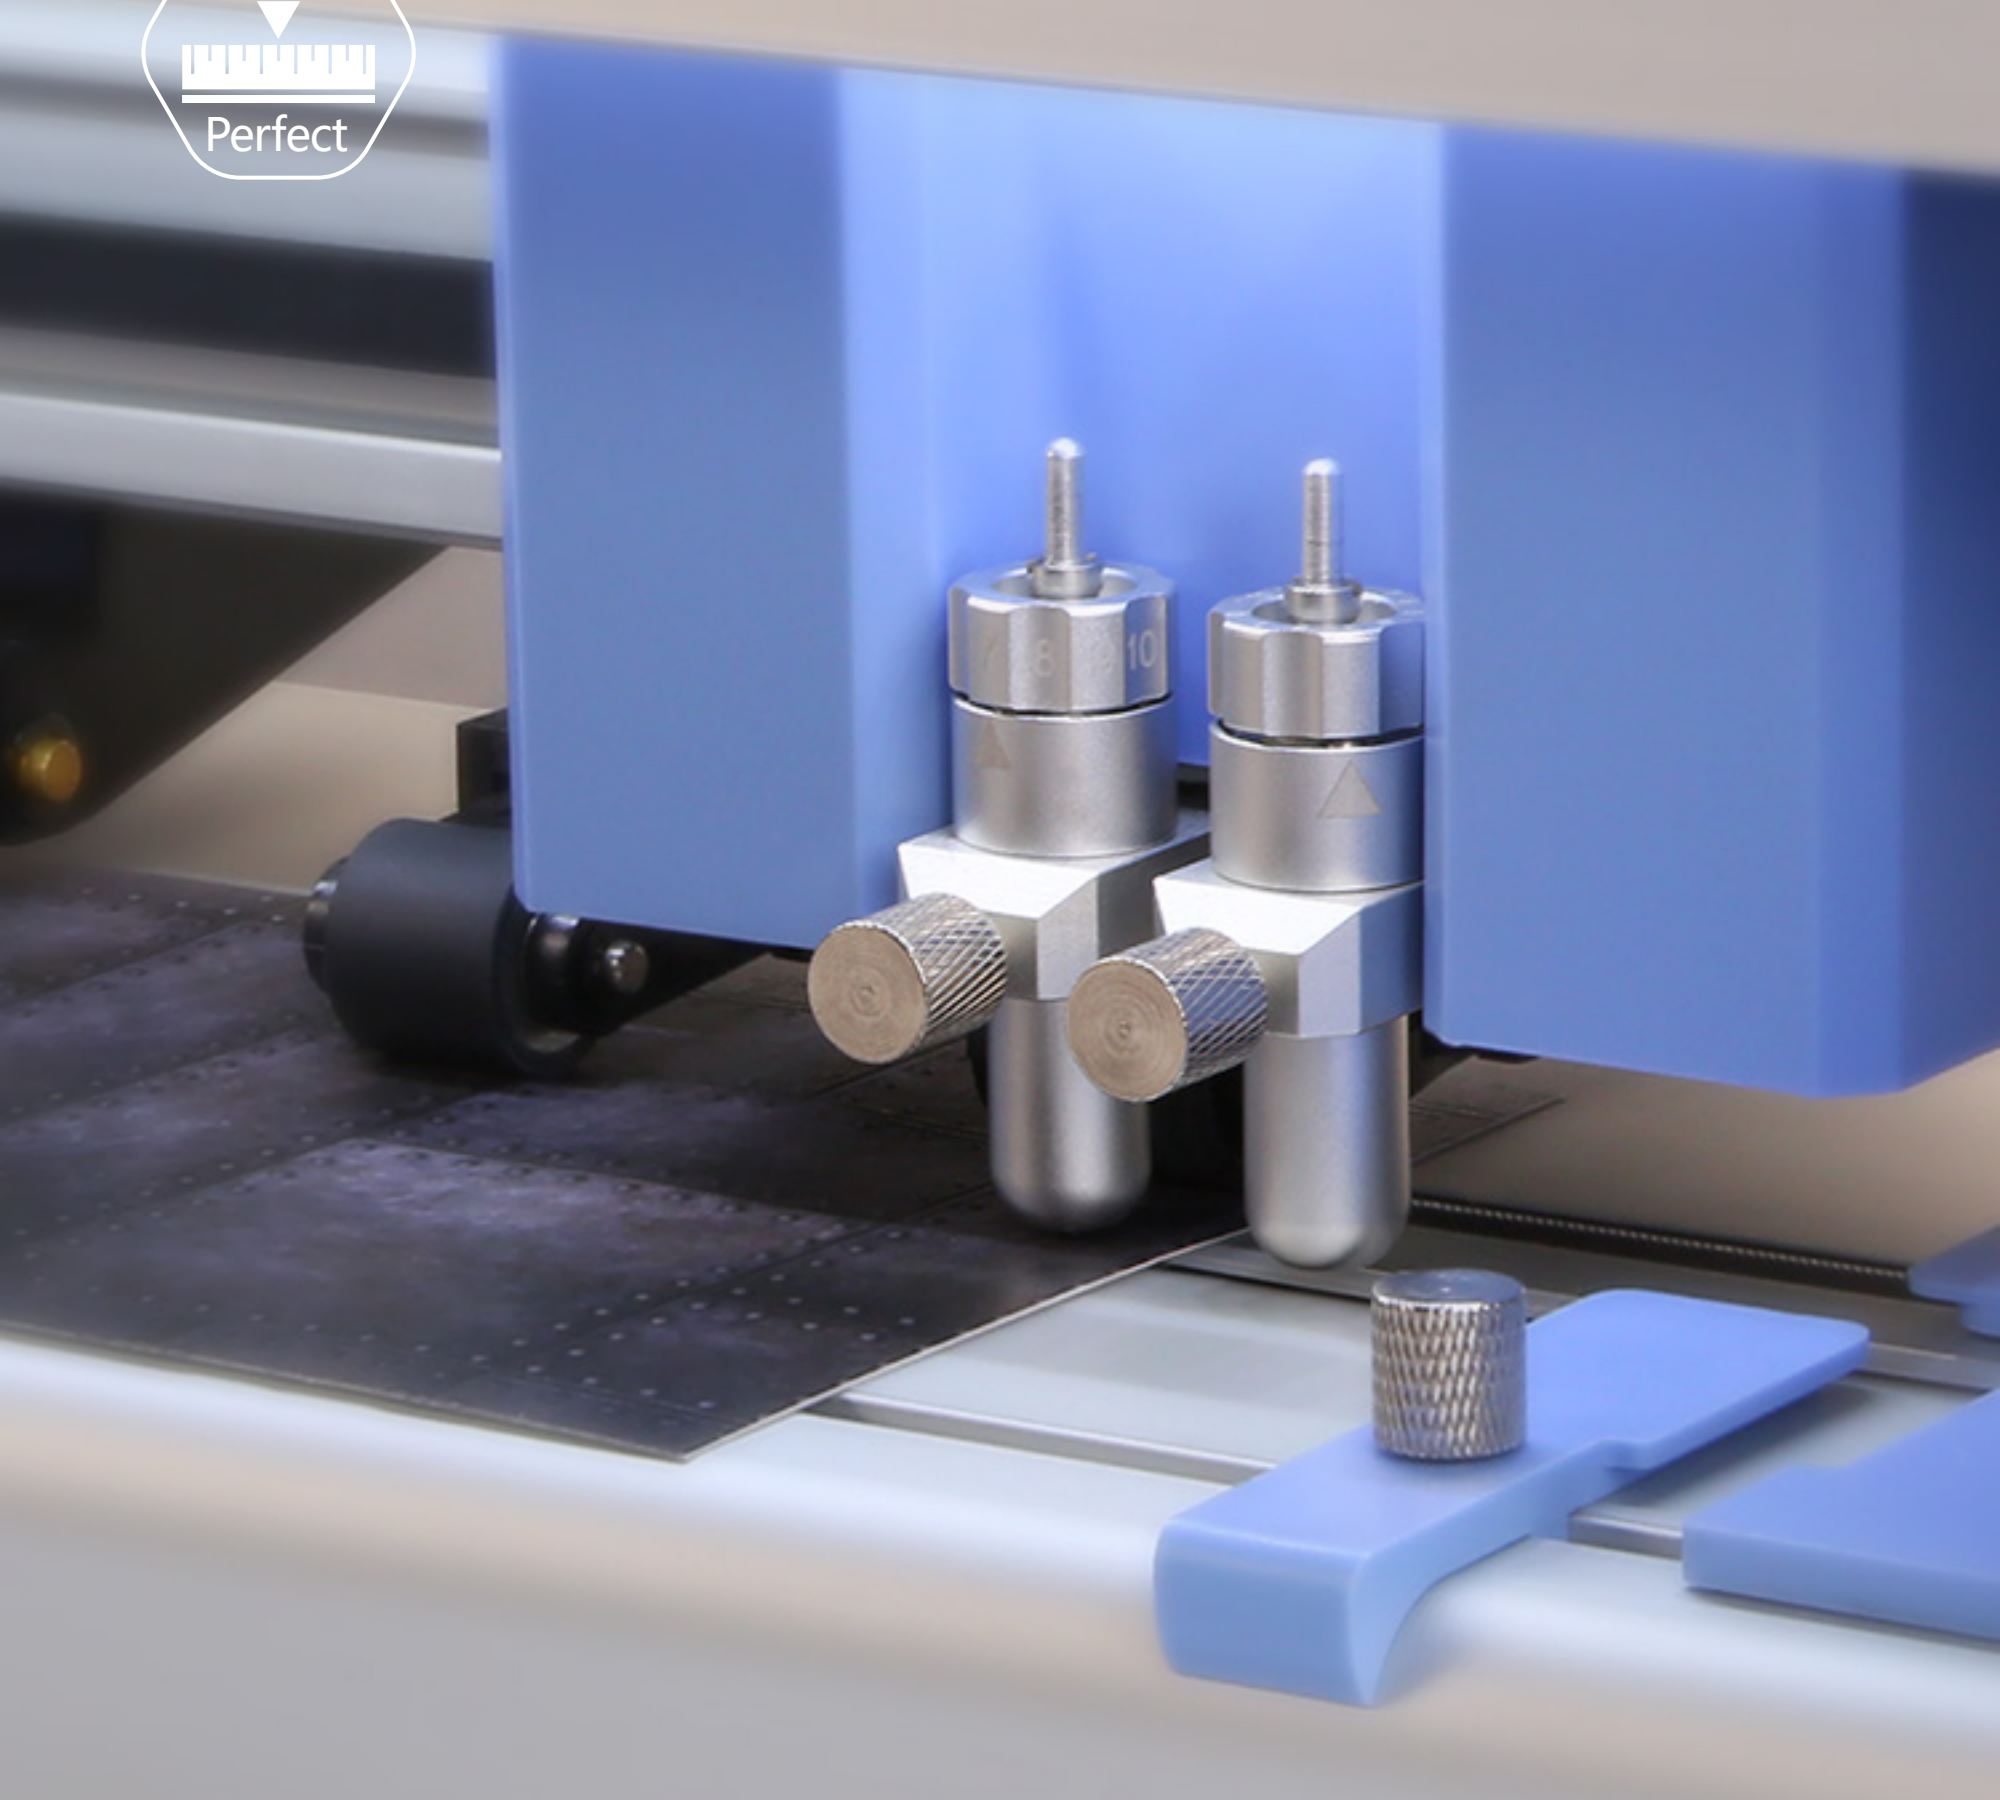

# INFRARED SENSOR SYSTEM

Supports Auto-Feeding Film Materials Smarter and More Efficient

# INNOVATIVE DOUBLE BLADES MODE

This innovation will help cut some positioning holes on the film, making it easier and faster to install it.

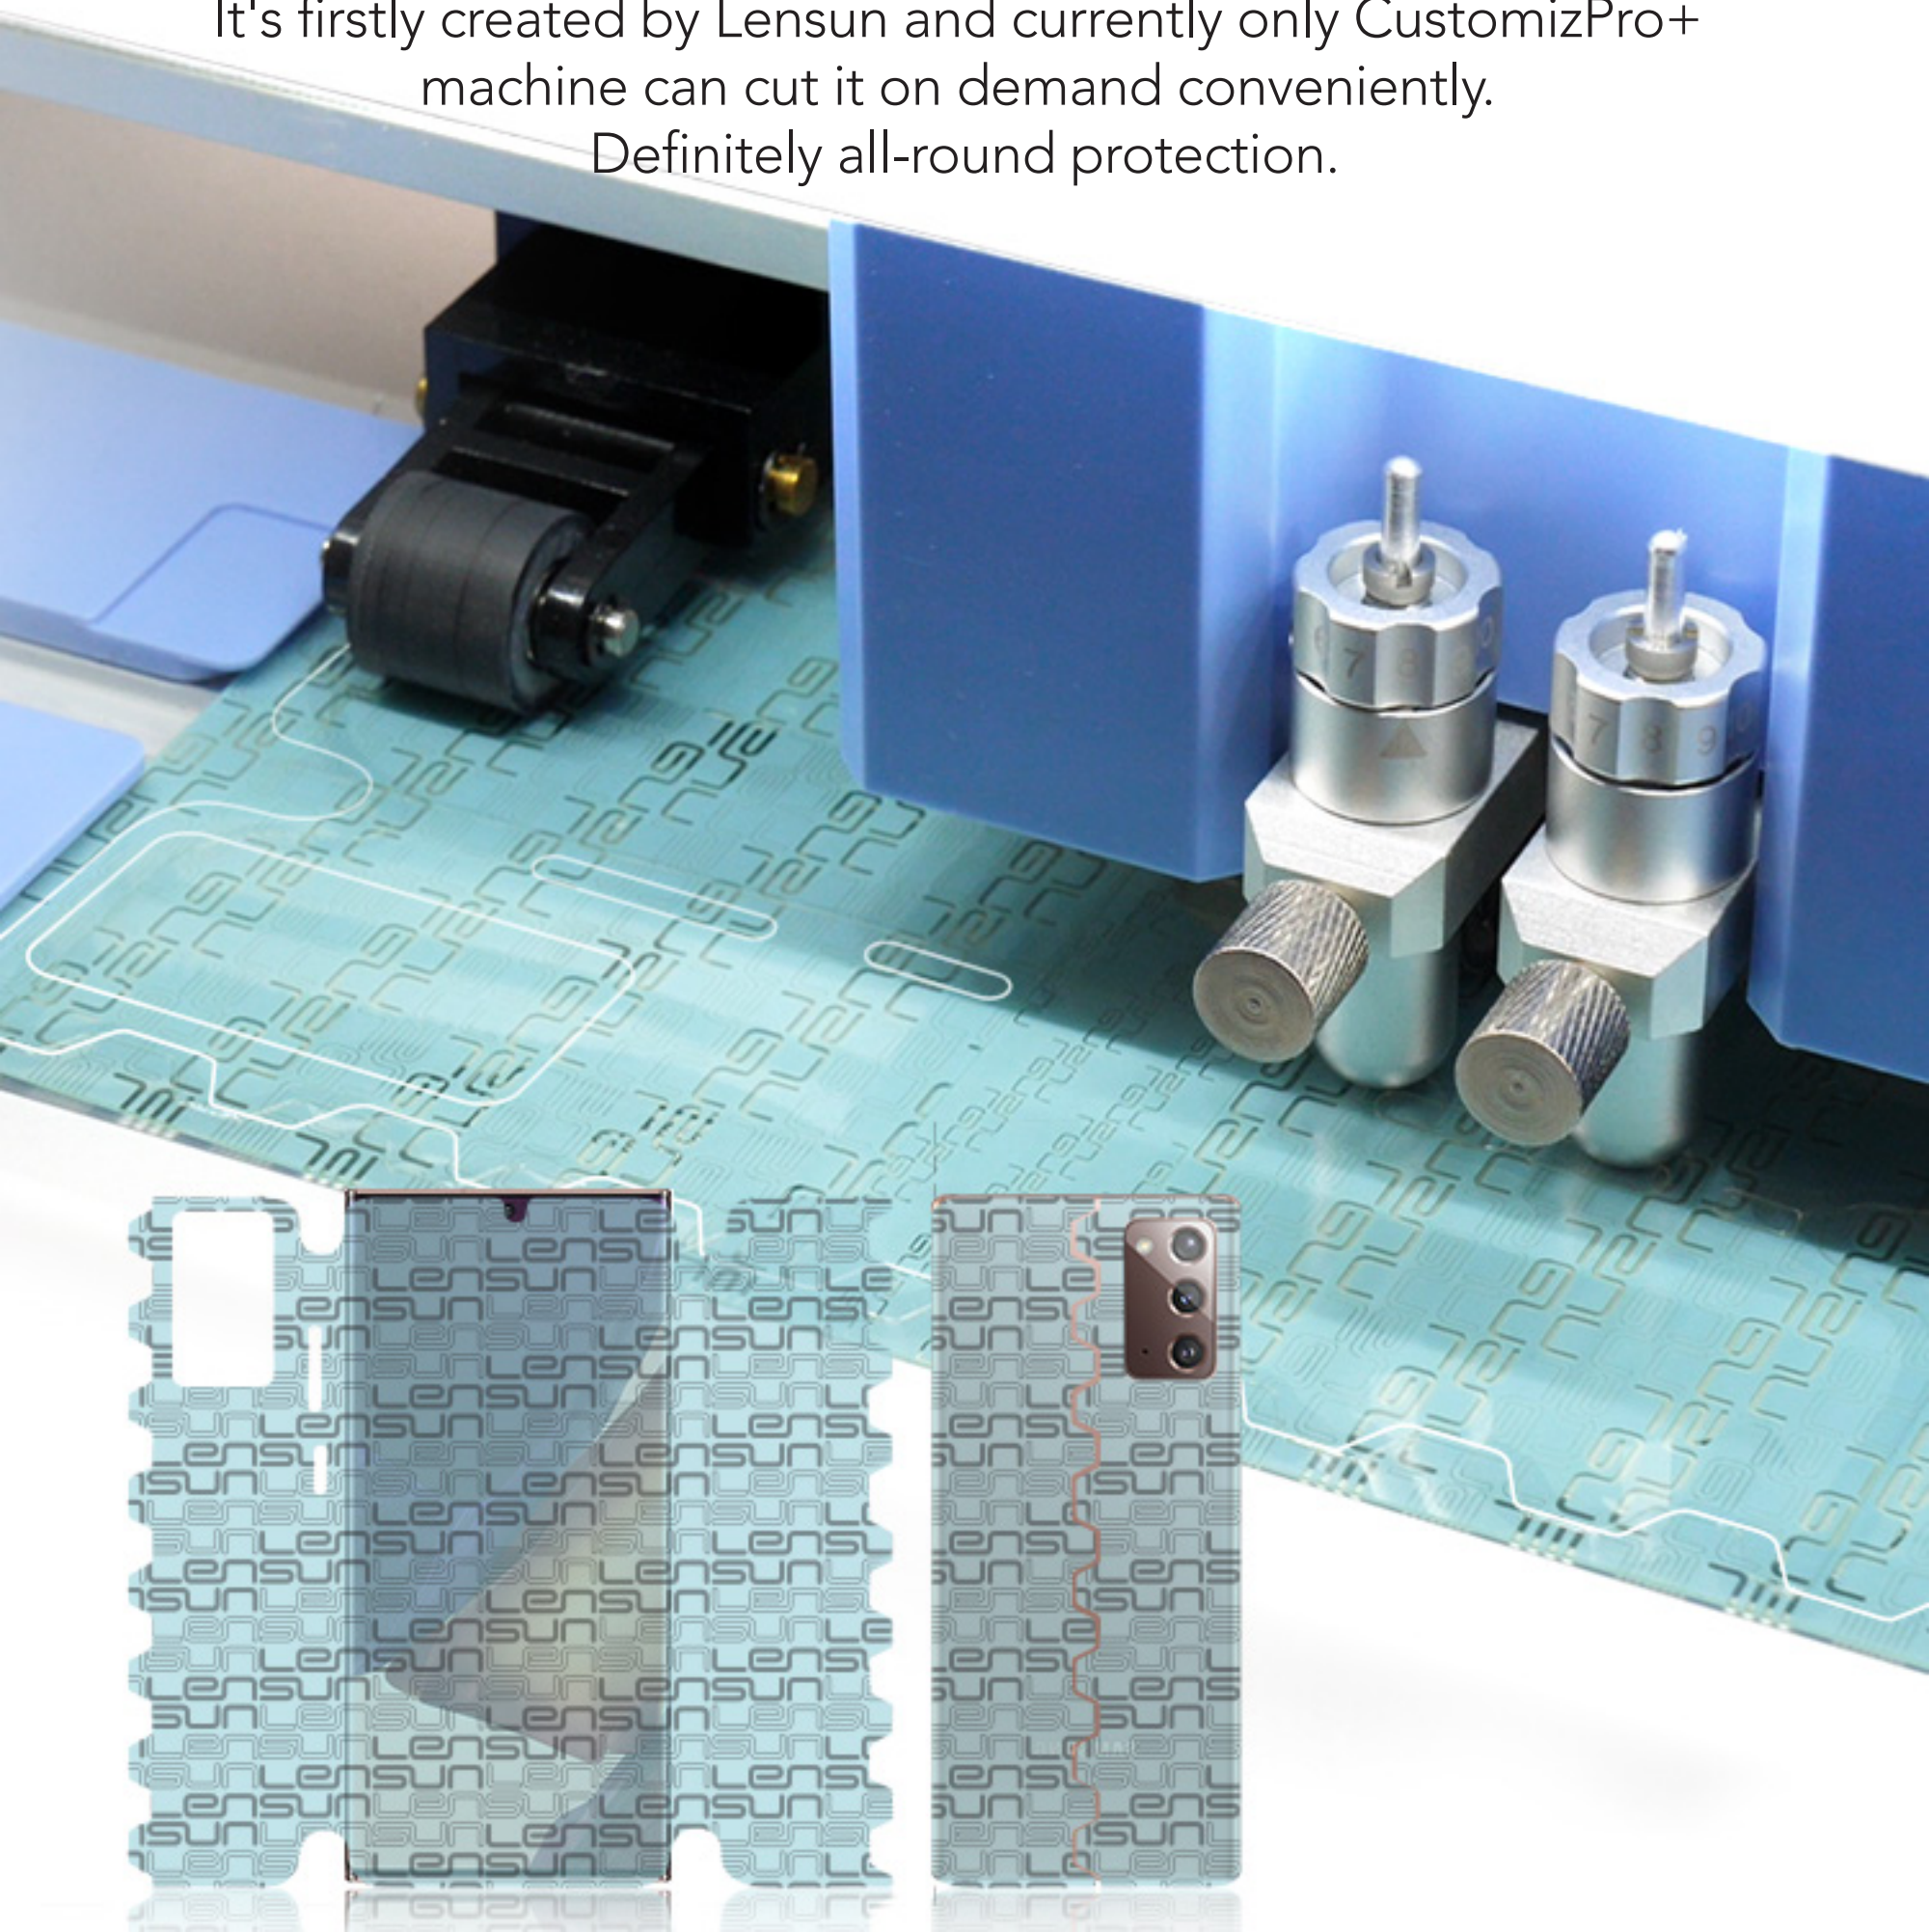

# 360° FULL FILM

## AN EXCLUSIVE PATENT DESIGN

It's firstly created by Lensun and currently only CustomizPro+ machine can cut it on demand conveniently.  
Definitely all-round protection.

**PROTECT MULTIPLE DEVICES,  
MAXIMUM COVERAGE UP TO 21"**

From smart phones, tablets, laptops, gaming controllers, stylus, airpods, watches to motorcycle screens, car touch screens, electronic cigarettes, power banks and many more, you may customize the perfect protection for your devices here in Lensun.

# MULTIPLE FUNCTIONS

## MORE SELECTIONS

### Anti Glare Film

fingerprints free and comfortable to touch

### Anti Bluelight Film

block harmful light to protect eyes

### Privacy Film

avoid annoying peeking  
at the device screens

### Dent Healing Film

heal dents & scratches,  
fit curved screen perfectly
